onions are a major issue for me, but i've found i can tolerate them pretty well if they are cooked into oblivion (for example, in a sauce), which frees me to enjoy certain delicious indian dishes

i'm an actor, actors are generally sensitive people

while some enjoy the sound of rattling pins and strikes on 20 modern lanes, there's plenty of alternatives for everyone else, with smaller balls, pucks and darts

it, and it was stupid; adding that i'd become embarrassed when a female entered the store.
